INFORMATION LETTER

On November 16–17, 2022, the National University of Ukraine on Physical Education and Sport (Kyiv) will host multiple scientific events that include the VI International Conference “Sustainability and Legacy in Sport: Challenges and Perspectives”, the XVIII International Conference “Current Issues of Sports Medicine”, XV International Conference of Young Scientists “Youth and the Olympic Movement”, XV International Student Scientific Conference “Sports and Modern Society”.

The main organizers of multiple scientific events are the Ministry of Education and Science of Ukraine, the Ministry of Youth and Sports of Ukraine, the National Olympic Committee of Ukraine and the National University of Ukraine on Physical Education and Sport.

We are glad to invite students undertaking bachelor’s, master’s, doctor of philosophy, doctor of sciences degrees, as well as scientific and pedagogical or scientific staff of higher educational institutions to participate in the above-mentioned conferences.

SCIENTIFIC AREAS OF MULTIPLE SCIENTIFIC EVENTS:

1. Social, ecological, economic dimensions of sport within the concept of sustainable development.
2. Sports, education and physical culture of children and youth as components of sustainable development concept.
3. Current challenges of sports development and achieving the goals of sustainable development.
4. Current issues of sports medicine.

Languages of multiple scientific events are Ukrainian, English.

Form of participation: full-time – presentation of report (online in ZOOM meeting), correspondence – publication of thesis.
Requirements for delivering presentation: duration of the report is 5 minutes. Mandatory multimedia support of the report.

IMPORTANT DATES:

October 31, 2022 – deadline for registration to participate in the conference via the link: <https://drive.google>.
October 31, 2022 – the deadline for submitting conference materials (articles) to e-mail: aspir_nufvsu@ukr.net.
November 14, 2022 – notification of acceptance of articles for publication.
November 16–17, 2022 – multiple scientific events.

Conference materials (articles) after review will be published in the special issue of the journal “Theory and Methods of Physical Education and Sport” No. 4, 2022. Guidelines for the authors of articles are available at the following link: <http://tmfvs-journal.uni-sport.edu.ua/about/submissions#onlineSubmissions>.
